

Social Media Marketer/Sales

Squeak
com.au

Junior Part-time contract role! No experience required!

We are looking for a **vibrant, outgoing and talkative** individual who loves shopping and the online space to be part of a dynamic, fun and energetic team. The role is part social media marketing and part sales, just think Mark Zuckerberg, Steve Jobs and Kim Kardashian all in one role!

This is a Junior Part-Time Contract for 6 months with the possibility of extension. You'll be working 1 day a week with the potential of 2 days a week (during uni breaks or busy periods).

The role offers **flexible working hours** and the ability for you to **work from home**, work at night, work between breaks, we don't care as long as you meet your targets. However you will be expected to come into our Parramatta office at least once a month making this role **perfect for Uni Students!**

Competitive Rates + Commission so the harder you work the more money you earn!

No experience required!

But you need to at least have the following:

- A smart-phone (we won't judge you on what you have...much)
- A computer/laptop with Email and Internet access at home
- Social Networking Accounts (Facebook, Twitter, etc.) with heaps of friends and followers!
- A great and friendly attitude

Great career starter for the right social media marketer!

Responsibilities

Social Media Marketing (40%)

- Execute exciting online marketing strategies
- Manage social media channels e.g. Facebook page updates, Twitter status updates, Blog entries etc.
- Interview Businesses and write articles for the Blog and other PR material

Sales (60%)

- Contact businesses over the phone, in person or via email to offer our online services
- Manage business relationships
- Execute sales strategies
